

EPIC SEAL

Epic Seal is a variable length seal made of high quality plastic polypropylene incorporating a strong and durable stainless steel locking mechanism. The modified design improves the strength of the seal; while, the seal cover is made of translucent plastic to reveal evidence of tampering to the metal jaw of the seal.

Material

- Body – Polypropylene (PP)
- Jaw – Stainless Steel

Printing

- Laser Marking / Hot Stamping
- Customize Name / Logo
- Sequential Numbering
- Laser Barcoding

Properties

Average Breaking Strength:
Approximately 52 kg

Application

- Postal Bags
- Cash Bags
- Oil Tankers
